This Schedule shows you the dates and the places we have arranged for tournaments for the year 2018 but is subject to change. Final types of games are changeable at the whim and fancy of your golf chairman, but your Branch Chairman will advise. I will not host a State Individual or Team Qualifying Tournament

I need to know if you want to play an event at least 8 days prior to the event as I must notify the golf course the number of players that expected to attend so they have enough holes and golf carts reserved.

Make all checks payable to SIR Golf and mail or give to your branch golf chairman.

Thanks for your help and participation. Looking forward to a great 2018 golf season,

Your Area Golf Chairman
